

## Answer Key

# Banking and Special Cards Crossword Puzzle

### Down:

1. Making sure things are even or equal; especially, how much money you have with how much you spend.
4. A special bank account that lets you easily put money in, take money out, and pay for things with checks or a debit card.
5. A place where you can keep your money safe, borrow money if you need to, and do other money-related things.
6. A card that lets you buy things by taking money directly from your bank account, like a gift card for your own money.
7. A special card that lets you borrow money from the bank to buy things, but you have to pay them back later.

### Across:

2. Money that you can hold in your hand, like coins or bills.
3. When you spend more money than you have in your bank account, and the bank lets you do it, but you have to pay them back later.
6. The date when something needs to be done or paid by, like finishing your homework or paying a bill.
8. a special card you can use to buy things from a specific store. It's kind of like having money stored electronically on a card instead of in your pocket. When someone gives you this type of card, they've already put a certain amount of money on it for you to spend.
