

Across:

- 2. A place where you can keep and save your money safely
- 3. A small piece of paper or an electronic code that gives you a discount on items
- 4. To put money into a bank account
- 5. Money given regularly to a child, often by parents, for doing chores
- 7. A special event where items are sold at lower prices. Sometimes call clearance.
- 9. Money or items given without expecting anything back

Down:

- 1. A bank account where you keep money to save.
- 2. A plan on how to spend and save money. This is a part of stewardship
- 4. A reduction in the usual price of something. Sometimes it is a percent off of the item
- 6. To put money into something to make more money
- 8. Money earned on a savings account. This is often a percentage.
